#### **§ 1943.6 Credit elsewhere.**

The applicant shall certify in writing on the appropriate forms, and the County Supervisor shall verify and document, that adequate credit elsewhere is not available, with or without a guarantee or a subordination, to finance the applicant's actual needs at reasonable rates and terms, taking into consideration prevailing private and cooperative rates and terms in the community in or near where the applicant resides for loans for similar purposes and periods of time.

(a) If the County Supervisor receives letters or other written evidence from a lender(s) indicating that the applicant is unable to obtain satisfactory credit, these will be included in the loan docket.

(b) If the applicant cannot qualify for the needed credit from the lenders contacted, but one or more of them has indicated they would provide credit with an FmHA or its successor agency under Public Law 103-354 guarantee or the County Supervisor determines that the applicant can obtain a guaranteed loan, the applicant will be advised to file an application with that lender(s) so that a guaranteed FO loan request can be processed by the lender for consideration by FmHA or its successor agency under Public Law 103-354.

(c) Property and interests in property owned and income received by an individual applicant, or an entity applicant and all of its members as individuals, will be considered and used by an applicant in obtaining credit from other sources.

#### **§ 1943.7 For the State of Hawaii—FO loans on leasehold interest on real property.**

The term owner-operator as used in this subpart shall include in the State of Hawaii the lessee-operator of real property in any case in which the County Supervisor determines that such real property cannot be acquired in fee simple by the lessee-operator. The leasehold must provide adequate security for the loan. A leasehold is the right to use property for a specific period of time under conditions provided in a lease agreement. The determination of value will be made by an appraisal of the present market value of the leasehold by an FmHA or its successor agency under Public Law 103-354 employee designated to appraise farm real estate. The terms and conditions of the lease must be such as to allow the lessee-operator to have a reasonable probability of accomplishing the objectives and repayment of the loan. The FmHA or its successor agency under Public Law 103-354 Hawaii State Office will issue an amendment to its State supplement for this subpart providing the necessary requirements (including forms) for obtaining the required security. The amendment to the State supplement and forms, and any revisions to them, but have prior National Office approval before being issued.
